

FOLDING TABLES

Sol-O-matic® Fiberglass Folding Tables provide colorful, eye-appealing work surfaces that are seamless, easy-to-clean, and chemical resistant. Many of our fiberglass tables have been in service almost 30 years, proving they can withstand time and wear.

The molded-in stop ledges keep clean clothes from falling on the floor and greatly increase the usable table space without requiring additional floor space. The tables are available with a number of accessories and options to enhance their customer pleasing convenience. Some of these accessories include clothes racks, upper shelves, and built-in trash containers.
